

THE PURLIN MILL	Customer	
2100 N Pacific Hwy	Project	
Woodburn, OR 97071	Job Number	
Phone (503) 981-9581	Detailer	
Fax (503) 981-9584	Page	Of

Note: hole punch locations are figured in inches from right to left with top flange facing away from you.

FOR ZEEs

From the example above designate size "A" (6", 8", 10" or 12"); First hole from top of member = "B", Second hole is distance between B & C = "C". For three hole punch add for "D" (Example: B=2", C=2", D=2").

- A _____
- B _____
- C _____
- D _____

Specify Member Gage: _____

Use separate pages for different gages and sizes - do not co-mingle different gages and/or sizes on the same page.
